

# The Artistar Jewels Exhibition

9  
DEC 2014

by Lions orbet | posted in: Jewellery Monthly.com | 0

Artistar Jewels stages for this year a select collection of contemporary **jewelry** made by artists from all over the world. Renews therefore the intention of highlighting the many artistic expressions, enriched for this second edition, by the numerous international subsidiaries.

The exhibition draws the attention of its visitors the many facets of the world of jewelry, seen as essential accessories that can enhance the wearer by virtue of the uniqueness of their processing.

On display will be able to admire more than 200 creations of international designers, a rare occasion in which to appreciate closely a varied selection of fine jewelry, wearable sculptures and creation of contemporary jewelry. Each item has been carefully created using a variety of materials, from precious metals and precious stones hard, until alternative material elements coming from the recycling of everyday objects.

This amazing blend artistic ensure a multicultural atmosphere that will arouse pleasant feelings in all who take part in the event. The artists will be able to explain to visitors the entire design process that has translated the idea into artistic jewel. It will be interesting to appreciate, through the creations, the territorial diversity of the artists from different continents.

The exhibition will take place at the Space Foundation Maimeri and will be open to the public from Wednesday 17 to Sunday, December 21, 2014 from 10:00 to 19:00. Friday, December 19th starting at 19:00 during the vernissage will be awarded to the winners dell'Artistar Contest.

All creations presented during the exhibition, will be reported within the book Artistar Jewels 2015 to be published by Fausto Cub Editor and distributed at all Italian bookstores and major European capitals. Like every year, the volume will be given to more than 5000 employees in the sector including journalists, personal shopper, fashion boutiques, as well as provided the most imported Hotel Spa & Wellness in the world.

Artistar Jewels also publish all the jewels within the e-commerce [Artistarsewels.com](http://Artistarsewels.com) so as to approach further potential buyers to the creators of the precious exhibited.

The contemporary **jewelry** is told with Artistar Jewels Exhibition  
December 17 to 21 from 10:00 to 19:00 – Opening Friday, December 19
